Matters Arising:

1) Footbridge Knowl Syke Brook

We received a letter from Mr John Rawlinson setting out the legal provisions he had put to the council. Mr J Rawlinson, Mr J Crossley and Mr I Crossley attended the meeting to put us in the picture, they have heard nothing since November 1995. We will write to Mr Gleeson (council solicitor) enclosing a copy of Mr Rawlinson's letter. Copies also to be sent to Cllr A Dearney, Mr K Picken (other landowner involved) and Mr T Woods (footpaths officer).

Planning Matters

The end house on Knowl Syke Street (number 30) has been demolished due to the foundations being faulty etc. We need to query with Cllr B Wright whether permission was required/sought/given, due to the fact that this building is in the conservation area.

No Police Matters
