The MINUTES of the meeting on the 4th September 1997 were approved
after a request for an insertion added as follows * Only a few members
did not want the church saved if either Plan A or B was implemented.

There was a discussion arising from these minutes:

- a) A number of members wished to have it noted in the minutes
they were upset at the resignation of Margaret from the
Society.

As we are still holding our meetings at the Library it was
decided that Sylvia should be the key holder.

- b) Julie has told us that the footpaths 134 & 139 have been
cleared yet again and that some parents are prepared to
buy a flag each to help improve the condition of the paths.
- c) It was noted that no one present has rang 0800 137 087
to report dog fouling on pavements.

Our opening discussion on ideas for the Millennium celebration made
little progress. Following a report in the Rochdale Observer a week
or so back, it was suggested we wait and see what RMBC are planning
for the celebration.

TREASURER'S REPORT: See details attached.

SECRETARY'S REPORT: We received a copy of a letter from Mrs P
Anderson expressing her views on the proposed development for Wardle
Village and Wardle Church. Whilst she would applaud a scheme to

restore St James's Church Mrs Anderson feels that plan A and B are not acceptable and that more thought and consultation is required before proceeding further. Copies of this letter were also sent to our local council members and our MP.

PLANNING MATTERS: The Society has no objection to the proposed plan for garages on the car park behind the Globe.

POLICE MATTERS: Nothing to report.

ANY OTHER BUSINESS: Enquires will be made to locate our missing benches. It was suggested that one bench should be placed on the 'Rec', after it's face lift of new swings etc.

With the approach of Remembrance Day we will place an order for our Poppy Wreath.

Julie expressed concern over large pebbles and rocks set in part of the pavement on Elm Grove. This could cause accidents to young and old alike. Someone will look into this problem.

It was decided that Footpath Survey Walks will be held on the second Sunday of each month starting off from the 'Globe' at 10.15am.

Date of next meeting will be 6th. November 1997.

The meeting closed at 8.30
