The MINUTES of the meeting held on 5th June 1997 were approved as a true record.

There was a discussion of matters arising from these minutes:-

- a) The play area on the 'Rec' was the subject of a public meeting on 16th June, resulting in local parents looking to raise funds to provide additional material for the site.
- b) A letter from Tim Wood (RMBC Footpath Officer) informed us he has scheduled some clearance of vegetation on footpaths 139 & 134 in July. However, improvements to the route we outlined in our letter to him are, he states beyond the funding of the Rights of Way Section.
- c) The Coffee Morning held at the Library on 20th June was a great success. The Wardle Civic Society raised £60. for ME sufferers.

TREASURER'S REPORT: See details attached.

SECRETARY'S REPORT: See b) Letter from Tim Wood.
It is proposed that if nothing has been done to improve footpaths 139 & 134 by the time of our meeting we should contact St. James's School to seek their support on this matter.

PLANNING MATTERS: A letter was received from RMBC Ref: planning D33654 which states that the Boarding Kennels conversion may go ahead providing a landscape scheme is submitted & approved by the Local Planning Authority.

POLICE MATTERS: Nothing to report.
