New Chair – Jane thanked Eddie for the last year, also George and Sylvia.

Police Report: - Nothing to report as police did not attend the meeting.

Treasurers Report: – see attached sheet. Sylvia is to investigate moving the account to Cooperative Bank.

Planning: – It was agreed that Jane should write to RMBC stating we object to the new application for 4 Wind turbines on Crook Hill.

It was noted no progress has been made regarding the access to stabling at Brierdene.

Moorend Trust: - Due to bad weather the Fun day on 7th September had to be cancelled. An alternative venue is being considered for a later date.

Wardle in Bloom: - George is waiting for details from the judges. Members present thought the planters should be moved from outside the library to a more suitable site.

What's on in Wardle – The booklet is almost ready to go to print. It was suggested we approach Pennine Township for approximately £100 towards the cost of the booklet.

Footpaths: - Path 15 is becoming overgrown again.

Pennine Township: - A meeting will take place on Tuesday 9th September at St. James School. Jane and Barbara will attend.

Any Other Business: - The problem of speeding traffic outside Wardle High School maybe resolved by plans to reduce the speed limit during school hours.

Jane brought a leaflet about fire safety, given to her by Barbara, in the home. The fire brigade and RMBC will check in your home for fire risk and fit new smoke alarms free. The alarms have a life span of 10 years and will be replaced when needed by the fire service. Contact Katherine on 926669 for details.

The Society received a thank you card from Barbara for the card and flowers sent following the death of Peter.
