Police Report – spate of burglaries last month, ceased but be careful about leaving doors and windows open etc. please anything untoward to the police. There have not been many reports of youth nuisance or vandalism. Camera to be installed shortly with video access nearby for police to view.

Treasurers Report – attached

Planning - nothing to report. Path to the stables at Briardene has not been reduced as yet RMBC Enforcement Officer is dealing with this matter.

Moorend – survey at the Historical Societies weekend had about 100 hundred responses about Country Park/Cycle Path it was felt that a mountain bike track was not feasible. A fun day to be held to gain local peoples opinion on this idea. Wardle High is keen to encourage cycle rides for families. Lots of progress on footpaths 14/15 to provide safer route to school. Jason Addy would like to upgrade footpath 15 to become a bridleway.

Wardle in Bloom – thanks to George for organising the certificates and to Ted for delivering them to the local youth groups who took part.

What's in Wardle – Eddie has quote from the High school but what will be covered not clear as yet, Jane has had a quote of £205. Sylvia is to proof read the information that Jane has been working on.

Footpath walks – no report. There are new signs being put up around the village replacing missing ones. Footpath 80 around the Tannery not cleared for safety reasons it is overgrown and filled with rubbish, footpath 15, near old posh wash, is in a similar state the council is in discussion with the allotment holders to get it cleared and accessible.
