**Footpaths** Ted told us that the footpaths have been sprayed.

**MoorEnd** a further grant of £2,300 has been given to the trust by Pennines Township to go towards the cost of creating the footpath/bridleway down the side of Wardle High School. Stock proof fencing has taken place alongside the land owned by Jason Eddy on Birch Road to allow people to let dogs off the lead and to make litter clearing easier

## **AOB**

Concern has been raised by the condition of the graveyard at St James Church, Ted reported that it was nearly impossible to walk the footpath through the area to the rear; Janet has agreed to follow this up.

Ted has cleared the litter from the substation near the library and also planted the two troughs with a selection of bedding plants, many thanks for his actions

Barbara has agreed to call in to the Globe and congratulate them on their efforts on behalf of the Society to improve both the outside and the interior of the Inn.

It was agreed that the AGM would take place at the next meeting therefore we need suggestions/volunteers for the officers of the Society!
