Spring Clean Skips have been booked and there have been some replies to Eddie's letters from local schools and youth groups. Notices were distributed to members and are to go to shops and the notice board. Rota for manning the skips was agreed

AOB ;

East Street signs not erected as yet.

Briardene stable - the wall is now completely demolished. Jane had been told by Ashley that the situation was being monitored by the local enforcement officer; Robert is to contact Davina (owner) and the officer concerned. There is effluent running from the stable yard down onto the pavement, and this is causing great concern to members of the public walking past.

Robert is to see if anything can be done by the police in regards to the parking on the pavement outside the Conservative Club, which is damaging the BT covers. This is a major problem now throughout the village.

The Speed Indicator outside the Community Centre on Wardle Road as yet is not connected.

Birch Road speed bumps are now finished. Work on the pavement will be done shortly and yellow lines will be put down to restrict parking.

Those wishing to report pot holes in the village need to ring the Highways Dept. and ask to speak to Bob Chadwick.
